

Rosa Parks

Mighty Times: the Legacy of Rosa Parks

On December 1, 1955, Rosa Parks sparked a revolution by sitting still. Her simple act of defiance against racial segregation on city buses inspired the African American community of Montgomery, Alabama, to unite against the segregationists who ran City Hall. Over the course of a year, the Montgomery Bus Boycott would test the endurance of the peaceful protesters, overturn an unjust law and create a legacy that continues to inspire those who work for freedom and justice today.
